### Making Inferences 2

**Directions:** Read each passage and then respond to the questions. Each question will ask you to make a logical inference based on textual details. Explain your answer by referencing the text.

Kyle ran into his house and slammed the door behind him. He paused with his back to the wall and tried to catch his breath. The puppy in his coat struggled to get out. Kyle looked out the window worriedly, but he saw that nobody was coming. Then he let the puppy out of his jacket. The puppy yelped while Kyle took the collar off of him. He threw the collar in an old soup can in the trash, carefully flipping over the can. The dog looked around nervously.

Anastasia sat by the fountain in the park with her head in her palms. She was weeping mournfully and wearing all black. In between gasps and sobs, Anastasia cried out a name: "Oh... John..." And then her cell phone beeped. Her hand ran into her purse and her heart fluttered. The text message was from John. She opened up the message and read the few bare words, "*I need to get my jacket back from you.*" Anastasia threw her head into her arms and continued sobbing.
