

Print onto white card stock. Cut out each shape. Push a brad through at top of legs, through body of polar bear (bottom). Push brads through arms at straight lines, lining up with side body. Push a brad through bottom of polar bear face, lining up with top of body. (Small circles indicate brad positions.) Attach craft stick with glue to back, if desired, for movable polar bear puppets. (Position arms and legs to rear of body, head at front of body.)
