You have to imagine what you read.

1. You are walking through a path in a forest. How is the path? How is the forest?
2. You keep walking and you find a cup in the middle of the way. How is the cup? Do you take it with you?
3. In a few metres you find a key. How is the key?
4. In the middle of the forest, suddenly you find a person. What is your reaction?
5. You are tired of walking and suddenly you see a house. What do you do?
6. You are nearly at the end of the path and you see a lake. How is the water? What do you do?
7. In the other side there is a wall. What do you do? Do you jump over it or not?
