

7th Grade American History

Miss. Baschnagel

Course Overview:

Students will be surveying American history, geography, government, and economics. Social Studies 7 is the first half of a two-year course. In preparation for the eighth grade New York State Social Studies Test, students will receive the necessary skills and knowledge of American history, which includes the following curriculum sequence:

1. Roots of American History

Geography
Native American Cultures
Exploration and Colonization
The Thirteen English Colonies

3. The Early Republic

The New Government
The Age of Jefferson
Industrial Revolution

2. The Revolutionary Era

Crisis in the Colonies
The American Revolution
Creating a Republic
Government & the Constitution

4. An Era of Expansion

The Jacksonian Era
Westward Expansion
The North and South
Reform

Expectations:

1. Respect those around you. (Be Kind!)
2. Be in your seat and ready to work when class begins.
3. Come prepared to class with a pen, pencil, and notebook.
4. Raise your hand to speak and do not speak when others are speaking.
5. Keep hands, feet, and objects to yourself.

Remember! These are Expectations. You are 7th graders and this behavior should already be practiced.
