

## The ant and the grasshopper

**Narrator:** One warm day in summer, an ant is busy in the field. She is gathering grains of wheat and corn and also leaves to build her house.

She is working hard because she is preparing for the winter days. But while

she is working, there is a grasshopper that just sings all the time.

**Grasshopper:** You are very hard Mrs. Ant. It's summer! Let's sing and dance.

**Ant:** I can't! I am preparing for the hard winter days!

**Ant**

**Narrator:** The grasshopper is singing and playing all the summer days. He isn't keeping his food as a warm house for the winter's day. He is laughing at Mrs. Ant who work so hard.
