

# SMURFS TIME

Help the Smurfs watch and colour the clocks.

- |                               |                                |
|-------------------------------|--------------------------------|
| 1. A quarter past two o'clock | 4. A quarter past five o'clock |
| 2. Three o'clock exactly      | 5. Half past twelve            |
| 3. Half past seven o'clock    | 6. A quarter to two o'clock    |
| 4. A quarter to eight o'clock | 7. A quarter to eleven o'clock |
| 8. Six o'clock exactly        | 8. Half past ten o'clock       |

## ONE & FIFTE

Put a Smurf in a garden. Cut the hands and colour them on the clock. Make sure your Smurfs can't see your garden. Tell your partner what time it is. Compare your garden to your friend's.
