

1. Who's what? Write the names under the pictures.

1. Alan has a splinter in his hand.
2. John has a sore throat.
3. Mary has a splinter in his hand.
4. Jack has a broken arm.
5. Michael has a temperature.
6. Phil has a headache.
7. Patrick has a stomachache.
8. George has a headache.
9. Tim has a pain in his shoulder.
10. William has a broken finger.

2. Circle the odd word out. Then say why.

- |           |          |           |          |
|-----------|----------|-----------|----------|
| stomach   | wind     | tooth     | tooth    |
| pill      | leg      | injection | bandage  |
| ambulance | nurse    | doctor    | doctor   |
| hospital  | headache | bed       | medicine |
| stomach   | foot     | tooth     | head     |
| Pain      | ill      | wind      | bed      |

The others are parts of the body.
