Mr. Jerry Miller  
Psychology  
Department  
123

Dear Mr. Miller:

I'd like to make an \_\_\_\_\_ to the Clinical Psychology (PhD)  
Program \_\_\_\_\_ in September 2001. I

graduated from \_\_\_\_\_ State University in May 2000. I completed my Psychology

\_\_\_\_\_ with First Class. I also had a work \_\_\_\_\_

in a mental health institution which is \_\_\_\_\_. I completed my  
\_\_\_\_\_ on the therapy experience. I believe that

I am very much \_\_\_\_\_ in people and their \_\_\_\_\_ and  
problems. I have an in-depth knowledge of psychological \_\_\_\_\_  
and their treatments through my \_\_\_\_\_ and work experience and  
\_\_\_\_\_ reading of various General Psychology books.

I'd be extremely \_\_\_\_\_ if you could consider my application and  
\_\_\_\_\_ me to the next course. As I will be an \_\_\_\_\_  
student and continue my professional training throughout my life.

I look forward to \_\_\_\_\_ from your office.

Yours \_\_\_\_\_
