## ELAPSED TIME

Josh needs to keep a journal for school that tells how long certain events took. He remembers when he started and finished each one but isn't sure how long they took. Help him figure out how long each took using the number lines.

- Football Game: 3:30 p.m. - 5:55 p.m.

- Jessica's Birthday Party: 12:30 p.m. - 4:50 p.m.

- Day of School: 8:15 a.m. - 2:40 p.m.

- Drive to Grandparents: 11:23 a.m. - 4:07 p.m.
