

CSP/SMART Goals Worksheet

School: SOHS

Team Name: ECS

Lead Teacher: Judith White

Team Members: Marguerite Vance, Karen Ford, Kristee VonBusch, Nathan Williamson, Ethan Moore, Stephen Drawbaugh, Keith Blackburn, Kristi Wright, Nick Sider

- **Goal 1:** ECS teachers will have a better awareness of struggling students in the collaborative classroom setting through co-teaching models and provide needed modifications to assist struggling students in the collaborative classroom environment.
- **Goal 2:** ECS teachers will collaborate with core content teachers during planning periods to insure cross curriculum lessons and assessments are being implemented in the ECS classroom settings AND ECS teachers will continue to be active members of core content departments and PLC groups.
- **Goal 3:** ECS teachers will guide students in the use of computer-generated software on a weekly basis to strengthen writing and reading abilities, as well as, utilize lap top labs in the resource classroom.
- **Goal 4:** ECS teachers will use reading and writing strategies across curriculum on a weekly basis to empower students with the recall and repeat method of learning.
- **Goal 5:** ECS teachers will utilize thinking strategies to enhance lessons and guide students to be better thinkers about their writing and overall work.
