G

The page features a decorative border with a repeating scroll pattern. Inside the border, there are six rows of handwriting practice lines. Each row consists of a solid top line, a dashed middle line, and a solid bottom line. On the left side of each row, there is a large, hollow letter: 'S', 'P', 'P', 'I', 'N', and 'G' from top to bottom. On the right side, there is a cartoon illustration of a smiling insect, possibly a grasshopper or cricket, with large eyes and antennae.
