Name	Date:
Veterans Day	
The people of the United States of on November 11th. This holiday, started our country's veterans. A veteran is a nor woman that has served in the military. Some have served during times of peace while others have served in times of wa our country from harm and to preserve their lives for this cause.	To honor a person means to show respect for that person. They have all served to protect
The military is made up of five branches: Air Force, Marines, Navy, and Coast Guar together to guard our country and freedo	d. They work
Veterans Day is celebrated in different ways. A lot of people like to go to parades. Others hold ceremonies and other events to show their appreciation to our veterans. Many school children write letters or draw pictures to send to veterans to thank them for their service. Some children even take a trip to a veterans' hospital to deliver their letters. Many businesses and schools close for this special holiday. How will you celebrate Veterans Day this year?	
1. What date is Veterans Day?	
2. What is a veteran?	
3. Why should we celebrate Veterans Day?
