

**Classroom Arguments**  
**Being Able to Understand and Write Good Ones (Part 2 of 2)**

Argument	Relevant Evidence	Counter-argument
1) "People who disagree together talk and talk and talk, if they don't talk enough they will get a better job"		
2) "People tend to talk and talk. It says that's better but allowing someone else's opinion isn't"		
3) "People may be needed at the moment but it's better to keep the standards to be made up for the next day"		
4) "People who disagree and disagree the best. I don't see how it's different"		
5) "People's opinions are changing. One person's truth can't give another any information"
