Beautiful HANDWRITING

Write the passage in cursive.

White Snow, Bright Snow

Softly, gently in the secret night.
Down from the North came the quiet white.
Drifting, sitting, silent flight.
Softly, gently, in the secret night.

White snow, bright snow, smooth and deep.
Light snow, night snow, quiet as sleep.
Down, down, without a sound:
Down, down to the frozen ground

Handwriting practice lines (dashed midline, solid top and bottom lines) for cursive writing.
