

What Should You Do?

You hear students in your class yelling and comparing about another student.
What should you do?

Remember what you should do to help:

What Should You Do?

You see students talking rumors.
What should you do?

Remember what you should do to help:

What Should You Do?

You see two students yelling at each other.
What should you do?

Remember what you should do to help:

What Should You Do?

You see a student making fun of someone else.
What should you do?

Remember what you should do to help:
