

Drugs can be good and bad

Observations

When you are ill, a doctor may give you a bottle of medicine or pills to help you get better. These contain drugs that can treat an illness. Cigarettes and alcoholic drinks also contain drugs. The drugs in cigarettes and alcohol can make you ill.

Science activity

Write the name of each drug under either **Helpful drugs** or **Harmful drugs**.

cough medicine

aspirin

tobacco

vitamin C

alcohol

Helpful drugs

Harmful drugs

Science exploration

⚠ Take extra care - ask an adult to supervise you.

Make a chart and find out what drugs are used to treat the following: colds, sore throats, stomachaches, ear infections, and coughs. Have an adult help you.
