

Turn this house outline into the house of a character in a story you are exploring. Fill the house with items that show the personality of the character. If it was a house for *The Littlest Pig* it might include, a room filled with house building tools, a pile of straw, sticks or bricks for an extension, a book on how to avoid wolves, a picture of his mother and two brothers, piles of food (because pigs like to eat), and bathtub filled with mud (because pigs like mud baths).
