

HUMAN BINGO

1. Go around the room and ask your peers if any of these statements apply to them.
2. If so, write their name in the box and follow up with the questions in parentheses (if any).
3. Once you cover your board, bring it to your teacher to get a prize.
4. Remember - the point is to have fun and get to know as many as possible (especially the students you don't know).

Has a birthday in the same month	Likes to dance	Doesn't have a Facebook account	Can touch their toes (with straight legs)	Is taking an elective this semester (what subject?)
Has the same star sign	Plays sport (what sport?)	Has broken at least one bone (how?)	Is not a morning person	Likes to sing in the shower
Was born outside of Virginia (where?)	Has ever been in a school play	Went to the same elementary or Middle School	Has gone on a bad family vacation (why?)	Walks to school
Has one or more pets (what type?)	Knows a foreign language (which one?)	Loves pizza (which is your favorite pizza?)	Has travelled outside USA (to what country?)	Likes to play video games (what games?)
Is afraid of heights	Has 3 or more siblings (brother/sisters?)	Can play an instrument (what instrument?)	Has the same smarthphone	Is left-handed
