

In the Sea

Oh, I wish I was a dolphin in the sea,
Oh, I wish I was a dolphin in the sea,
I'd love to swim and play
Jumping over every wave,
Oh, I wish I was a dolphin in the sea.

Oh, I wish I was a shark in the sea,
Oh, I wish I was a shark in the sea,
I'd be the villain of the sea,
Wouldn't you be scared of me?
Oh, I wish I was a shark in the sea.

Oh, I wish I was a whale in the sea,
Oh, I wish I was a whale in the sea,
I'd blow air from my spout,
Till no more could come out
Oh, I wish I was a whale in the sea.

...But do you know what?

Oh, I'm glad I'm not a minnow in the sea,
Oh, I'm glad I'm not a minnow in the sea,
I'd be the smallest of the fish,
And the dish of bigger fish,
Oh, I'm glad I'm not a minnow in the sea.
