As you read the story, write each main event in SEQUENTIAL ORDER.

Place one event in each box.

The form consists of two vertical columns of six empty rectangular boxes each. Downward-pointing arrows are centered between each box in both columns. A central vertical line with upward-pointing arrows connects the two columns. A curved arrow at the top right points from the top of the right column to the top of the left column. A curved arrow at the bottom left points from the bottom of the left column to the top of the right column, indicating a sequential flow from left to right and then back to the top of the right column.
