

**Singapore 1st Grade Math Worksheet 21**  
**Money**

**Name:** \_\_\_\_\_

**Date:** \_\_\_\_\_

**Problem 1**

A carrier pigeon brought \$40 to Billy and Willy. Billy was a bully - he took 3 times more money than Willy. How much did Billy take?

**Problem 2**

There was a sale at a pet shop. Farmer Fodo bought 1 cow and 1 chicken for \$20. Ranger Randy bought 1 horse and 1 chicken for \$15. The chicken cost \$6. So how much more expensive was the cow than the horse?
