

Worksheet 6: Principles of Learning and Teaching Reflection Tool

Refer to the [Principles of Learning and Teaching P-12](#).

Consider the extent to which you are implementing the Principles of Learning and Teaching in your English program.

Principles of Learning and Teaching	Always	Generally	Sometimes	Rarely	Never
1. The learning environment is supportive and productive.					
2. The learning environment promotes independence, interdependence and self motivation.					
3. Students' needs, backgrounds, perspectives and interests are reflected in the learning program.					
4. Students are challenged and supported to develop deep levels of thinking and application.					
5. Assessment practices are an integral part of teaching and learning.					
6. Learning connects strongly with communities and practice beyond the classroom.					

Describe an aspect of your teaching that strongly reflects the Principles of Learning and Teaching.

Describe a Principle of Learning and Teaching that you are addressing but need to strengthen.

Identify a Principle of Learning and Teaching that you are not addressing but need to consider.
