

Hello dear friend and supporter,

This is Alderman Freeman Bosley Sr., requesting your support once more. This fall, my youngest daughter, Kenya Young-Bosley, will be attending St. Xavier University as a first-year undergraduate. I am asking for your support, in order to pay the outstanding balance on her college tuition. The total cost to attend St. Xavier is \$38,890, but with her academic achievement, Kenya has managed to knock off a large sum, bringing the balance to \$14,276. Although the help from scholarships and grants has paid for nearly twenty-five thousand dollars, the remaining balance is still a challenge.

Kenya is a senior at St. Elizabeth Academy, a private all-girls institution which will unfortunately be closing at the end of this school year. Since arriving there as a freshman, she has maintained a 4.0 grade point average and has remained in the top 2% of her class. On May 20th, Kenya graduated as salutatorian and lead her class in turning their tassels, as class president. Kenya has also participated in the school's orchestra for four years, playing the violin. And in addition, she has played on the basketball team for all of her four years.

On top of the difficult process of finding scholarships, Kenya's class lost their high school counselor and college consultant in early October, due to the school's closure. It has made it challenging for Kenya, as well as other seniors in her class, to be aware of scholarship opportunities and to make sure they are well prepared for the next step.

I hope that a sponsor, such as you, would be willing to donate to Kenya's "kenya-to-college" fund. St. Xavier University is located in Chicago, Illinois 3700 West 103rd St., 60655. If you can help, Kenya will be able to attend St. Xavier for little or no cost.

Her deadline for the fall semester is: **July 23, 2013**

Thank you for your time and for any consideration you can give me,

Alderman Freeman Bosley Sr.

Please make all checks payable to: St. Xavier University & send them to:

3219 University St.
St. Louis, Mo. 63107
