

This fourth grade vocabulary list was built from an analysis of difficult words that appear in basal readers and other books commonly taught in the 4th grade. Those words were then analyzed to see how often they appeared on English Language Arts state tests given in the fourth, fifth and sixth grades. http://www.flocabulary.com/word_up_orange_wordlist.html

accurate	crafty	jagged	shallow
address	create		sole
afford		lack	source
