

medium	$\frac{1}{10}$	0.1	green
large	$\frac{4}{10}$	0.4	blue
extra large	$\frac{3}{10}$	0.3	yellow
jumbo	$\frac{2}{10}$	0.2	red

Part 2: Do you know what chickens eat? The feed that Farmer Brown buys is made mostly of corn. But it has other ingredients too. The graph below shows what is in each bag of feed. Use the graph to answer the questions.

1. What ingredient makes up the largest part of the feed? _____
2. Write a decimal to represent the part of oil and vitamins in the feed. _____
