

# LOST ANIMALS

Cut and paste the animals on the required habitat.

## MATCH

- 1 the desert
- 2 the farm
- 3 the sea
- 4 the snow
- 5 the river
- 6 the forest

## READ & PASTE

There is a turtle in the river. There is a polar bear on the farm. There is a cow in the desert. There is a kangaroo on the farm. There is a giraffe in the sea. There is a snake in the snow.

These animals are lost! Can you help them find their natural habitat?

e.g. 'The turtle doesn't live in the river. The turtle lives in the sea.'
