

*Shelton & The Mayor of Providence*, but I am afraid I have been very much over-  
informed about that subject. I am sorry to hear that you are  
ill.

*My dear mother*

I have been thinking much lately about you and how much I love you. I am so glad that you are well and happy. I hope you will continue to be so for many years to come.

I am writing you now from my room at school. I am so busy here that I don't have time to write often, but I always find time to think of my friends.

I hope you will receive this letter soon. I would like to hear from you very much.

Your affectionate son,  
John Doe
