

Bankruptcy Worksheet

Attached is the information we need to complete your bankruptcy petition. Please completely and accurately fill out the attached worksheet. Do not leave any blank spaces. If a question does not pertain to your situation, put "none".

The information you give us will be used to complete your official bankruptcy petition for filing in federal Bankruptcy Court. The information must be accurate. Making a false statement on a bankruptcy petition, or omitting or concealing assets can subject you to fine, imprisonment or both.

If you need legal advice, contact an attorney. Please do not contact us for legal advice. We cannot advise you. Document Preparers are allowed to prepare the paperwork only. If the information provided does not answer your questions you should get a consultation with an attorney. Many attorneys will offer you a low cost consultation.

We can only help you with a Chapter 7 filing (also known as "straight" or liquidation bankruptcy). If you wish to file a Chapter 13 (a pay back plan) you should hire an attorney because it is difficult to represent yourself in Chapter 13.

Do not list the name of a minor child in the worksheet due to the privacy laws.

Please complete and return with \$150.00 fee to: Independent Document Preparation Services, 420 SW Washington #200, Portland, OR 97204. Phone (503)228-0316 or 1-800-266-0316
