Addition (B)

Find each sum.

```
   2216        5820        3503
+    49      +   72      +   64
```

```
   9829        3252        3164
+    49      +   97      +   90
```

```
   1615        7292        4628
+    53      +   34      +   57
```
