

Worksheet

Underline all the nouns in the following paragraphs.

My name is Maria. I am a student at
Global National School in Al-Bahrah. I
am from United Arab Emirates. I was
born on December 23, 2004.

Last Eid, my elder brother showed me I
went to the mall of the Emirates and
played with Dubai and it was fun. Then,
we had a feast around the mall for a long
time, as we felt hungry. We rushed to
Mama's and ordered a delicious pizza.

Next November we will celebrate the National
Eid and I am looking forward to going to the
mall again.
