

Quotation marks surround words people speak. Remember these rules.

#1 Periods and commas always go inside the quotation marks.

#2 Use single quotation marks for quoted material inside quotation marks.

Directions: Using a text from your class, or a book you are reading, locate and write examples of the use of quotation marks.

Directions: Correct the following sentences by inserting quotation marks.

1. Zan said, Yesterday, Mona cried I want a new bicycle!
2. Philp teased, Why did you take my video game?
3. Candice ordered, Clean up this room right now!
4. The club has adjourned for the day, reported Belthazar.
