Can You Make a Living With a Temper Like That?

To be successfully involved in most jobs and businesses, people need anger management skills. Some people who lack anger management skills believe that they will be able to support themselves even though they can't control their temper. Here are some of the reasons they believe that they will be able to succeed financially as adults. Do you believe these explanations and reasons?

"My boss won't give that job to I know you can't get it."

"My boss will never take care of me. I know you can't."

"I'll just go to another."

"My gang will take care of me."

"I'll just go to another job."

"I'll work a month or so."

"I'll just go to another job."

"I'll just go to another job. I know you can't get it."
