

Budget Worksheet

UVic International Exchange Program

Please print clearly

This worksheet is intended as a planning tool and will help demonstrate to the selection committee how well you have planned for your exchange. Please estimate your costs on the basis of either half- or full-time exchange (one or two terms). Exchange rates can fluctuate, affecting budget plans substantially; therefore, plan for some contingency funds to deal with these and other unexpected costs.

NOTE: If you plan to use student loans for your exchange, please call 721-6361 to arrange for an appointment with the IESS outgoing student advisor to discuss if this is feasible for the institution(s) you are choosing.
