

### In and out of the city

- 11 Group the words and phrases into under the three headings: city life, country life and village life in the table below. Don't forget to write the words under the correct of your heading. Think of other words appropriate to each of your groups. After looking at your answer, please point to which countries.

city life	country life	village life

- 12 Compare your list with your neighbour's. Which of the words do you both consider positive and which do you consider negative?

- 13 Which would you prefer – an urban, suburban or rural lifestyle? Do you think your opinion will change as you get older? Explain why you think so!
