Mentor Name:	Sam Jacobson	Mentor Phone Number:	937-555-1111
Mentor Area of Expertise:	He owns a landscaping business.	Mentor Email:	iloveplants@anycarrier.com
Write two potential goals for academic growth:			
<p>1. I am interested in botany and agriculture and I would like to learn about businesses related to these interests and examine possible career options.</p> <p>2. I would like to use my math and science skills in the "real world" and further develop those skills for employability purposes.</p>
