

**Make a poster for your
Representational Techniques
Module Group's website**

**Students must give each other feedback using following suggestions
(below)**

Areas

General comments

- 1. Give a number (1-5) for each individual (not big number, strength, if possible, etc)
- 2. Give brief feedback on strengths and general comments/notes.
- 3. If too long, put a bit of feedback and write them on the back. Add other comments, suggestions and for the students who don't finish.
- 4. Give students clear feedback on strengths/weaknesses.

Self comments

- 1. Write 10-20 words describing the picture or scene and using adjectives
- 2. Cover the back of each card with one or two lines of each description, big text etc
- 3. Write out descriptions from student groups that is successful (eg, effectively follow orders, fun to do, others like it, etc) only 10-20 words (eg, 10-20 words) describing, write good text, big, etc
- 4. If too long, put a bit of feedback and write them on the back. Add other comments, suggestions and for the students who don't finish.
- 5. Give brief feedback on strengths and weaknesses (eg, how many adjectives)

Notes

- 1. Give brief comments and explain it to the class, taking them to the other side of the room
- 2. Give a number (1-5) for each individual (not big number, strength, if possible, etc)
- 3. Give brief feedback on strengths and general comments/notes.
- 4. If too long, put a bit of feedback and write them on the back. Add other comments, suggestions and for the students who don't finish.
