

The ABCs of Art By M.C.Gillis

RHYTHM

A REGULAR REPITITION OF THE ELEMENTS OF ART CAN
CREATE A SENSE OF MOVEMENT/RHYTHM.

Trees blowing in the wind...

Non-objective design...

People marching...

The day has a rhythm to it.
Sunrise — Sunset —
Sunset — Sunset —

The city has a rhythm.

RHYTHM
IS
ALL
AROUND
US.

The ticking of a clock
is rhythm.
