

Question words

We ask questions when we want to find out things. Write these words that ask questions. Which is the odd one out? Say why.

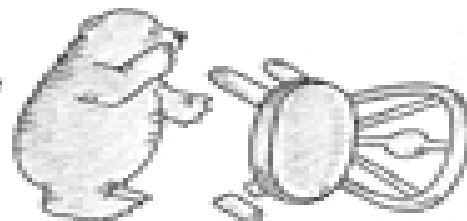

who what why when where how

.....

Write a question word and add a question mark to complete each sentence.

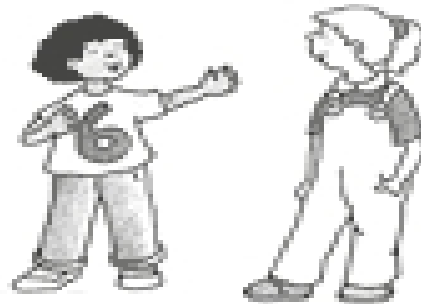

Remember: Sentences that ask questions have a question mark at the end.

..... has been sitting in my chair

..... do you live

I am six. old are you

..... does lunch time start

..... do you like this book

Hello, is your name
