Jahaan

My favorite food is pizza. Pizza is the best of all the food in the world. Most kids like pizza. Pizza is yummy and tasty. Pizza is the best in the best. Pizza is wonderful.

Pizza feels slimy and soft. It's cheesy with deluxe cheese on it. Tomato sauce is it which makes it slimy.

The taste of pizza is yummy and amazing. Its tomato and cheese flavor. It's off cause taste nice and with mushroom.

Last of all is how does it look like. It looks like the nose and canine teeth of the human body. It looks like cheese and the shape of the triangle. Last it looks like a tip of the arrow and Africa .that was a lot huh well see you next time.
