

Microscopic and Macroscopic

Microscopic view:

1. **Draw the paracymbria and fill in gaps with the given words.**

Labels include: **paracymbria** (drawn to the right of the central chamber), **cell** (fill of magma), **cell walls** (the narrow ridges), **back of the tree**, **flow** (an irregularly shaped flow chamber).

Microscopic magnification (used to draw the back side of the tree, following the line of cellulose), **microscopic magnification** (used to draw the back side).

Back of the tree, Flow, Cell walls, Cell, Paracymbria.
