

Time Machine

**If you had a time machine, where would you go
and what would you do? Who would you talk to?**

A large, empty rectangular box for writing, with a small illustration of a time machine at the bottom left corner. The box is divided into two columns by a vertical line. The left column is for the time machine, and the right column is for the destination and actions. The time machine illustration is a small, simple drawing of a vehicle with a large wheel and a small cabin. The writing area is a large, empty space for the student to write their response.
