

Nouns with the Same Singular & Plural Form

Name: _____

Some nouns are very unusual because they have the same form whether they are singular or plural. It can be a little confusing until you learn which nouns act in this way. There is no rule for these unique nouns. You just have to memorize them.

deer

moose

fish

sheep

buffalo

aircraft

offspring

series

salmon

trout

shrimp

swine

Practice using these nouns by writing one sentence using each noun below as a singular noun, and one sentence using each as a plural noun.

Example: deer 1. Bob went hunting and saw six deer.

2. My brother and I fed the deer when it came into our yard.

Moose: 1. _____

2. _____
