

Mission Statement Worksheet

Parish Mission Statement:

Example:

As a community of Christians, [name of church] in [name of city//town] will continue to centre its life on the worship of God, on love for each other, outreach to the world, and increasing and strengthening commitment to serve Jesus Christ.

Your Stewardship Vision and Mission Statements should spring from the Parish's Mission Statement

Vision for Stewardship: *What would perfect stewardship at your church look like?*

Mission of Stewardship: *What are we commissioned to do to bring us ever closer to the Vision? This should be a broad statement and it should be brief enough that anyone could recall and state it.*

Mission Goals: *Each goal will have strategies for its accomplishment that are: Simple, Measurable, Achievable, Realistic, and Time-based (SMART)*
