After you have written your **explanation**, turn this page upside down, and check whether your **explanation** includes **any** of the information given below.

A banana is an edible tropical fruit. It is finger-shaped and has a yellow skin when ripe. We usually peel off the skin and eat the pulpy inside, which is creamy white in color.  
Bananas grow in clusters on tree-like plants. They are grown in Africa, Asia, the West Indies, and Latin America and are exported all over the world.
