

# Comprehension

Read the passage carefully and answer the questions below.

## Jessica's Garden

Jessica was bored. All of her friends were out of town. She decided to go outside. In the backyard, she found some grass and a pot. In the front, she found some dirt. All she had needed was some flowers. She had something to do now. Jessica stepped on the car with her. When she got down the car started. She did touch her car. When Jessica got home, she planted them in the pot.
