

Prefixes

Can you reassemble the words below by adding a prefix to each root word?

Remember: A prefix is a group of letters added to the beginning of a word to change its meaning.

es- mis- co- non- anti-

take freeze ordinaire
lead change behave
place port fiction clockwise send
operate

mis- misbehave

non- _____

es- _____

co- _____

anti- _____

Can you make any more words by using the same prefixes with different root words?
