

What is an Invention?

An invention solves a problem!

Some famous inventors are:

Thomas Edison

George Washington Carver

Nils Bohlin

Johann Gutenberg

The Wright Brothers

Levi Strauss

Adolphe Sax

Samuel Morse

Elias Howe

Bette Nesmith Graham

Morse Code

Blue Jeans

Peanut Butter

Saxophone

Seat Belt

Printing Press

Light Bulb

Airplane

Liquid Paper

Sewing Machine

Go around the room and find out what each of these people invented, then match them with their invention! ☺ Find your seat when you are finished!
