

Objective: Making questions "Who is the subject"

Important: If "who" is used as the subject, decide not use "who/whom" in the question.

Example:

Question	Answer
A) Who is the subject? Components	Answer: Who is the subject? Components are prepositions first
B) Who made the movie? Director	A: Who made the movie? Director
C) Who is the subject? Who is the subject?	A: Who is the subject? Who is the subject?
D) Who is the subject? Subject	A: Who is the subject? Subject

If subject is needed or if the question is the question style, choose "who" in the answer.

Q11
