

"I'm Not a Doctor"
Richard Brautigan

Heard her say my name,
Said she said I was
The doctor who said
In your case, to what I do
As much as you do to yourself, you
To yourself, you know
But I don't know
I don't know, I don't know
I don't know, I don't know
I don't know, I don't know

Trying to write
Trying to write a
Don't you know, don't you know, don't you know?
I don't know, I don't know
I don't know, I don't know

These words are my own
I don't know, I don't know
I don't know, I don't know, I don't know
I don't know, I don't know
I don't know, I don't know
I don't know, I don't know

Some days I'm not
Some days I'm not
The feeling inside me is like
The feeling inside me is like
The feeling inside me is like
The feeling inside me is like
The feeling inside me is like
The feeling inside me is like

These words are my own
I don't know, I don't know
I don't know, I don't know, I don't know
I don't know, I don't know
I don't know, I don't know
I don't know, I don't know

The feeling inside
The feeling inside
The feeling inside
The feeling inside
The feeling inside
The feeling inside
The feeling inside
The feeling inside

Trying to write
Trying to write
Trying to write
Trying to write
Trying to write
Trying to write
Trying to write
Trying to write

These words are my own
I don't know, I don't know
I don't know, I don't know, I don't know
I don't know, I don't know
I don't know, I don't know
I don't know, I don't know
I don't know, I don't know
I don't know, I don't know
