

2011 Steele-Reese Foundation Grant Application Worksheet 1.0

This is not an application form. This worksheet allows you to share application questions with others in your organization and prepare your responses prior to using the online application form. Please follow the directions on our website to submit your application.

We appreciate complete, concise responses. In many cases the maximum number of characters allowed for your response may well exceed the space you need for your answer. If your answer is complete, there is no need to fill the space.

If you are uncertain about how to answer any of these questions, please contact the Director who serves your area. For projects or organizations in Kentucky, contact Judy Owens at jkowensjd@aol.com.
